Emergency Preparedness Plan

Discovery Years Early Learning Center
6847 Addicks Satsuma Rd.
Houston, Texas 77084

When Fire Alarm Sounds

Teachers must take their classroom roll sheets and all of their students to the fence at the rear of the property. Each teacher is then responsible for taking roll for their class. Once all children are accounted for, teachers and students should stay put, and wait for further instructions. When the “all clear” signal is given, everyone may re-enter the building, and report back to their respective classroom.

Emergency Evacuation Plan

If relocation is needed in an emergency situation such as fire, flood, toxic fumes, etc...
The first responsibility of staff is to move children to a designated safe area.

Designated safe area:
Discovery Years
7020 Fry Rd.
Cypress, Texas 77433
281-861-8755

Teachers will take children to the barn area and shut the gate behind them. Teachers will supervise children until buses arrive. Teachers will kick out a few boards in the fence so children can be loaded one at a time onto a bus. Roll will be taken to make sure all children are accounted for. Information for notifying parents and child care licensing will be found in the emergency preparedness binder. Teachers are responsible for keeping children safe and calm.

In Case of Inclement Weather

Teachers must take their classroom roll sheets and all of their students to the hall nearest their room. Students should be instructed to sit, facing either wall (north or south), with their heads in their laps, and their hands over their heads. Each teacher is then responsible for taking roll for their class. Once all children are accounted for, the teachers should assume the same sitting position as the children, and wait for further instructions. When the “all clear” signal is given, everyone may report back to their respective classrooms.
